	-2-	
7.	The oil is loaded on tankers only. The destination of the tankers is not known In 1949, Communists (sic) 50X1-HU stated that the Soviets sent all the Altanian oil for refining.	JM
₿.	Ships reportedly remain in Vlone narbor from five to eight days (sic).	
Durr	res	
9.	The majority of imports for Albania arrive at the port of Durres.	
10.	Some ships at Durres have been unleaded at night by troops, no civilian labor being employed. On these occasions, the cases which were unloaded are believed to have contained aircraft parts.
